### Home Grown "Candle Wrap" Pattern by The Pitchy Patch

Trace pattern shapes onto wool or craft felt and cut out.

Place and arrange pieces in the center of the candle wrap background felt piece so they match pattern. Tack/pin in place if needed.

**Blanket stitch** border of large heart to background,

left and right edges or wrap together, and top and bottom edges.

**Straight stitch** small heart to background, home grown text, and inside pieces of large heart.

Glue rusty heart to center of large heart. Let set.

Finished wrap fits 16 oz canning jar candle.
